ECONOMIC POLICY COMMITTEE UPDATE

As our Local 1990 contract has ended with CSSD, the Economic Policy Committee (EPC) has been meeting in order to collect information and come up with a proposal for bargaining. The EPC committee is currently working on a survey that will go out to members in early October. Monetary increases are the top priority but the committee will be asking members about other options for our contract negotiations. Once we have gathered all the information, we will create a proposal and then 3 members from our EPC committee will be selected to be on the Local 1990 Bargaining Committee.

We have submitted our Notice to Bargain, which will happen sometime after November.

To keep updated on what is going on, please attend the general meetings. Information on how to sign up for these meetings will be sent via your district email.
