## Air-Conditioned Coaches

Sisters and Brothers,

Local 111 has received a commitment from senior management to get as many air-conditioned coaches out on the road due to the upcoming weather conditions.

When returning to the yard, please take direction from Local 2200 members and park the coaches in their designated areas. This will allow for the maximum dispatch of air condition coaches the next morning.

**Please remember to stay hydrated. If you experience any discomfort due to the heat, please contact T-Comm.**

Your co-operation is appreciated.

In Solidarity,
