## Online GM Issues

Sisters & Brothers,

After the last "Information Only" General Meeting held on Thursday, January 28, 2021, there were some concerns raised by membership.

- Members were able to log-in multiple times per meeting.  
**Remedy:** All members are required to have their Seniority Number listed before their Name to Login to meeting. Anyone not doing so will not be accepted into the General Meeting online room.
- Due to multiple logins, members can vote multiple times.  
**Remedy:** See above. Also, results will be declared only after Seniority Number has been verified for each vote. If anyone is found voting multiple times, all their votes will be rejected.
- Multiple members on one single login.  
**Remedy:** Each member with a registered email is sent an individual invite. Hence, should login individually. Only one vote will be considered per login. No multiple votes will be allowed.
- Member's computer frozen and not able to hear speaker.  
**Remedy:** Member can use closed caption option and read.
- Member not able to login into evening meeting.  
**Remedy:** Two (2) separate emails will be sent. As it was found some members were clicking on morning meeting link when wanting to attend the evening meeting.

If you experienced any other issues during the last meeting. Please email [officeadmin@unifor111.com](mailto:officeadmin@unifor111.com) and provide your Seniority Number, Name and Contact Number so our Tech Team can contact you to try to resolve the issue.
